

## COVID-19 PROTOCOLS at Southern Right Charters

**Masks** Face masks/coverings to be worn, at all times, by guests & crew. Usage in accordance with authorities.

**Screening** On arrival all guest to complete a short questionnaire & have temperature checked.  
Daily screening & health check of all crew.

**Sanitizing** Alcohol Based sanitizer provided to guests in Welcome pack and sanitizer stations available at key areas.  
**Hand Washing** Sufficient supply of soap, paper towels, wastepaper bins and other cleaning materials will be allocated to each washroom/station.

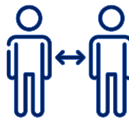

**Enhanced Cleaning** & Sanitisation of Boat and On-land facilities between and during trips. Deep Clean/wash down of the boat daily. Issued lifejackets will be sanitised before/after each use.

**Capacity Limiting** The number of guests on each tour has been limited (aligned with directive from Government)

**Minimised Contact** implemented for 'check-in' procedures. Public address system on the boat.

**Social Distancing** 1.5 m to be maintained between 'unconnected' guests. 'Distancing Clusters' onboard – those who are booked together stay together.

**Seat Blocking** with various seating options on board, guests are requested to be considerate when choosing their preferred seat.

**Designated area** for any guests, should they start to feel seasick. Additional sanitizer, disinfectant and wipes available

**Ventilation** Plenty of this on the Atlantic Ocean, our boat has outdoor decks and well-ventilated indoor areas.

**Food & Beverage minimised** complimentary bottled water
